

We are glad to announce you another [Koinup](#) initiative with our partnership: [Virtual Worlds Wallpapers](#) !

If you like create artistic portraits in The Sims, why not transform them in iPhone/iPad wallpapers?

[Metaverse Wallpapers](#) is the new brand Koinup iPhone and iPad app that feature amazing wallpapers created within Virtual Worlds and Games. And the purpose of Virtual Worlds Wallpapers group is to seek new contents to display in the app.

If you're an artist or photographer and love the Koinup community, take part in this project and get your chance to enter the hall of fame of digital art. [Read the rules of the project](#)
